GIANT LEAP

DANCE FLOOR GIANT LEAP

The most comfortable dance carpet, especially for use in ballet halls or on tour. Giant Leap offers you a higher level of dancing comfort than any other thin covering can provide.

Why should you choose this floor?

- The silk matt surface is extremely robust and non-slip, yet smooth enough to prevent friction burns
- The Giant Leap dance surface lies perfectly flat and the mineral fibre reinforcement makes it particularly dimensionally stable
- The more than 3 mm foam backing offers increased dance comfort
- Very comfortable dance surface protects dancers' joints and tendons
- Ideal as a portable floor covering or as a permanent floor covering in a ballet hall
- Made especially for ballet, modern and contemporary dance
