## DANCE FLOOR RISING STAR

Visually indistinguishable from a wooden floor, our Rising Star is high quality, robust and above all, easier to clean than a real oak floor! Latin American dances and hot ball nights, tap dancing and acrobatics, Zumba and theatre performances: with Rising Star you have found the all-rounder that also looks great! It can be permanently installed on any hard, smooth subfloor.

### Why should you choose this floor?

- Particularly stable dimensions due to its foamed support layer and mineral fibre insert
- Compact, non-slip, optimal friction values
- Silk matt embossed surface, ideal for glare-free lighting –no more shine and reflection like on traditional parquet
- No more scratches from high-heeled shoes

## Details:

- Flame-retardant; EN 13501-1, Bfl-s1
- KM2 (123-FZ RF)
- 100% vinyl
- Width 200 cm
- 2600 g/m<sup>2</sup>
- 25lm roll
- Thickness 3,2mm
